

## **About Rick Hayes**

Author/Inspirational Speaker/ Paranormal and Life Consultant Rick Hayes may be known for his unique abilities, but his motivating and inspirational persona in the media and speaking circuit is highly recognized as a

"unique and fascinating experience'.

Rick Hayes is the founder of LifesGift, Inc. - an association that supports his consultation and speaking engagement services. As a Consultant with unique abilities, Rick consults on a daily basis with those that have questions regarding life and life-after.

At an early age, Rick realized that he had the unique ability to relay messages from those who have passed. Born and raised in a Christian environment, his belief in the gift of life and life everlasting has remained throughout his own personal life through continued faith.

As a speaker and lecturer, Rick has shared his thoughts with inspiration and enthusiasm to thousands since 2003. Rick's speaking invitations range from small group organizations to major events and conventions attended by thousands.

As a published author, his books include 'Stepping Stones- Thoughts Along Life's Path' (ISBN#0-9765434-1-9) and 'You're Not Crazy, You Have A Ghost' (ISBN# 0-9765434-0-0). Rick's articles also appear on numerous print and online publications.

Rick is a media favorite on television, radio, and print media including appearances on Sirius Satellite Radio, Sci-Fi Channel, and Fox Television. Rick is featured in the 2009 film 'The Possessed' (Spooked Productions/NBC Universal) and the upcoming film 'Soul Catcher' (2010). Rick is the host of 'Conversations with Rick Hayes' Talk Radio and 'Reflections with Rick Hayes' radio presented by LifesGift throughout the world via streaming media.
